

# BEE WORKSHOP: Support Native Pollinators

- ▶ Identify Native Bees
- ▶ Attract Them to Your Yard
- ▶ Tour the **SOON TO BE** Pollinator Habitat on Troy's Campus

Featuring Urban Regional Extension Agent, Phillip Carter

**Pollinators are important to our environment. An astonishing 80% of the worlds plants can only reproduce with the help of a pollinator (bees, birds, bats, and more). Join us to learn about the BEES and what you can do to protect the pollinators.**
